

**REMARKS/ARGUMENTS**

1. The application stands corrected for ambiguities, spelling mistakes and omissions. The present amendments conform to the “**Revised Amendment Practice of the Office**” to the best of the applicant’s knowledge.
2. The Abstract of the Disclosure is amended and shortened to be limited to 150 words.
3. The title is shortened and is made specific to the matter of the specification.
4. The top margins of the specification papers filed on January 12, 2001 have now been corrected, and a fresh copy is submitted herewith.
5. The informalities in prior disclosure filed on January 12, 2001 are removed.
6. The numbering of the claims now stand corrected. The accompanying full listing of claims follow the listing proposed in the Office action of June 11, 2004.
7. All the prior claims have now been amended and made definitive to the best of the applicant’s capabilities. The applicant is thankful for provided with reference literature in this context.
8. The applicant respectfully requests the Office to review the amended specification and claims presented herewith.

MAILING DATE: 08/30/2004

Respectfully submitted,
